My Perspective – Letter to the Rockford Region

Attracting New Businesses

I am often asked how the RAEDC attracts new companies to the Rockford Region given some of the challenges with which our region and our state must contend as well as the number of competing regions/states.

The RAEDC and the Rockford Region

The RAEDC, as the Economic Development Agency for the region is also the data collection agency on all new capital investment in the area, retained and created jobs, and new or renovated space. As we enter into our *Rockforward20/20* strategic plan, we will be informing all of you on project wins for our region as well as projects that we are working on with our various regional partners.

RAEDC Events

Annual Meeting & Dinner: Wednesday, November 16th

Rockforward! *the sky is the limit*

The Annual Meeting and Dinner has been confirmed for Wednesday, November 16th at Giovanni's Restaurant & Conference Center. The RAEDC Board of Directors and Staff are proud to welcome Mr. David Storch, Chairman, President and Chief Executive Officer of AAR, as the keynote speaker.

AAR is a leading provider of diverse products and value-added services to the worldwide aviation/aerospace and government/defense industries.

Corporate Tables and individual reservations are available now. Seats are going quickly, reserve online at RockfordIL.com/AnnualMeeting2016.

For more information contact Jimsi Kuborn, Vice President of Investor Relations at 815-969-4259 or JKuborn@RockfordIL.com.

Measurements

Regional Impact Measurements

These figures represent the collective successes during the new *Rockforward20/20* campaign. The campaign began in January 2016 and will continue through December 2020.

The results shown below are for the first 9 months of the 60 month *Rockforward20/20* strategic plan.

Two projects closed in September, both projects involved local manufacturing companies expanding their operations. One company expanded its facility in the City of Loves Park and the other company relocated within the City of Rockford.

RAEDC Updates

Supporting EDGE

With the EDGE program (Economic Development for a Growing Economy) set to expire at the

end of 2016, the Rockford Area Economic Development Council and the Rockford Chamber of Commerce collaborated to develop and distribute a letter of support for extension of the program to each State Senator and State Representative who represent our region. The program provides tax credits to qualifying companies that can be applied against corporate income taxes over a period of 10 years. Since 2003, EDGE has supported 42 projects which committed to invest nearly \$2 billion in the Northern Stateline Region, creating over 4,300 jobs. This is a critical tool used to attract businesses to our State, the Rockford Region, as well as when one of our existing companies may have the option to relocate to a different state. For details about this initiative contact the [RAEDC](#).

Hannover Messe Trade Fair Results in Familiarization Trip

The four-day show in April resulted in 43 one-on-one meetings with European companies, of which four expressed interest in possibly locating a US operation in the Rockford Region. One of these companies visited the region in September and another company is considering a visit early next year.

Global Trade Park Update

The RAEDC staff has been facilitating a strategic plan with many partners including the Chicago Rockford International Airport and the City of Rockford to grow the Global Trade Park at the Chicago Rockford International Airport (GTP) which currently has had four organizations become members of the business association. The objective of the GTP business association would be to increase the awareness through the development of a corporate identity, marketing plan, collateral materials, and a website. The GTP has the potential to be one of the largest industrial developments in the Rockford Region and a major generator of jobs and economic growth. The Park consists of 7,100 acres making it one of the largest industrial sites in the Country. Of these 7,100 acres, roughly 4,000 acres are considered vacant/undeveloped land. To learn more about the opportunities in the Global Trade Park contact [Mike Nicholas](#) at the RAEDC.

Rockforward20/20

Rockforward20/20 represents a bold vision for our future, this aggressive plan will cultivate opportunities to create and retain over 10,000 jobs and significantly increase capital investment in the region.

Learn more at RockfordIL.com/Rockforward2020. If you have not set up a brief meeting to explore how you can get involved, contact Jimsi Kuborn at 815-969-4259 or jkuborn@rockfordil.com.

The RAEDC

The RAEDC often works behind the scenes due to the confidential nature of business projects. Plus, big deals take time: The average time from start to completion on the 24 project wins in 2015 was 329 days.

We are committed to persistence and continuity in our work: We market the Rockford Region to the world, influencing companies to locate or expand here. We support and promote growth within targeted industries through regional public-private collaboration. We assist prospective and existing companies by connecting them to resources for workforce development, available buildings, supply chain partners, incentives and more.

Together, we will continue the momentum into 2016 for an even stronger, more sustainable economy. **Together, we will Trailblaze, Inspire Action, Align, Seed and Serve!**

Michael Nicholas, President
MNicholas@RockfordIL.com

ABOUT THE RAEDC

The primary role of the Rockford Area Economic Development Council (RAEDC) is to collaboratively improve the economic strength of the Rockford Region by helping employers retain and create quality jobs. The RAEDC works closely with many partners to learn what existing and new employers need to grow, and to serve as a one-stop resource for clients. The RAEDC seeks to improve the competitiveness of the region by taking what it learns from the region's employers, and engaging the community in the daily work of economic development.
